

Dear guests,

A health protocol was defined to guarantee your safety and the well-being of our employees. Please find below all our measures to fight the Covid-19 and guarantee you to have a pleasant and a secure stay at the Grand Prix Hôtel & Restaurant.

We remind you that wearing a mask is now compulsory within the establishment.

### Commitment n°1 - Hygiene and disinfection

- We have reinforced the cleaning actions, ventilation and disinfection of the rooms, reception, common areas...
- The non-essential objects have been take off: documentation, pens, notepad, kettle and cups, guide. The Room Directory is available on the TV screen in your room.
- We respect the health protocol defined by the french government.
- Our cleaning company partner ELIS is committed to take care of your laundry, with an antibacterial, antivirus and fungicide protocol.

### Commitment n°2 - Protect your health

- You will find some disinfectant in the common areas (alcoholic gel, wipes...).
- In the waiting areas, we have displayed some information to maintain the distance between guests and inform you about all the safety measures.
- At the front desk office, we have set up some Plexiglas to avoid contact with the reception.

### Commitment n°3 - Protect our employees

- Our staff is fully equipped with masks and disinfection cleaning products.
- The team have been trained to the health protocol. They are committed to :

Respect the government recommendation against COVID-19.

Respect the barrier gesture and the distances.

Stay home in case of COVID-19 symptom.

#### Commitment n°4 - Reorganize the restaurant and bar area

- Tables, chairs in our restaurant and bar have been moved to guarantee a 1 meter distance. It is recommended to book your lunch or dinner in advance as the number of seats have been reduced.
- 6 people per table maximum.
- We will ask you to fill a form in order to deliver your contact to the regional health agency or the health insurance, in case of contact-tracking. Your contact details will be deleted within 14 days.
- Breakfast is still served as a buffet, however some hydroalcoholic gel is available to wash your hands before touching the buffet. Also cutleries are washed every 15 minutes, such as coffee machine etc.
- You can look at the restaurant menu on your phone with our QR Code.
- We kindly remind you that wearing a mask is mandatory in the restaurant and the bar

#### Commitment n°5 – Meeting & events in security

We have also reinforced sanitary measures in our meeting rooms. Regular disinfection of contact points is in place (reception, toilets, furniture, switches, microphones, etc.). Hydroalcoholic gel is available at the reception of our seminar center, in the meeting rooms and on the coffee break buffets. During coffee breaks, a route is set up with signage to avoid crossings. Wearing a mask is compulsory even in the meeting rooms. We've spaced the chairs out to respect physical distancing and provide you with larger workspaces. The work material provided to you is single use (notepads and pens). We ask participants to ventilate the rooms every 3 hours (for at least 15 minutes).

#### Commitment n°6 - Limited the virus COVID-19

- A COVID-19 referent has been nominated, in order to guarantee the hygiene procedure.
- We respect the barrier gesture and ask to our partner, staff as same as you to respect it.
- We privilege the credit card payment to reduce the contamination risk, also the dematerialization of our communications, payments and invoices.
- We keep away our staff in case of fever or COVID-19 suspicion.

We do our best to make your stay pleasant and secure, with respect to the health protocol. If you feel bad and you think you have some symptoms, we will postpone your stay.

*Your health is our priority ! Best regards, Alexandra Bacquié and all the team*
